

## Boater Checklist and Requirements

- Vessel Survey (Transients Excluded) Conducted within 12 mo. PRIOR to date of Arrival. (Required for all vessels built 10 years or more from date of reservation or at the request of the Dockmaster) Surveys must be conducted by and accredited (USSA, NAMS, SAMS) marine surveyor. Please speak to the Dockmaster regarding vessel surveys details, questions, and concerns.
- Photocopy of a valid ID (Driver's license, State ID, Military ID, etc.)
- Current USCG Documentation or Current State Registration
- Current Certificate of Liability Insurance (Declaration Page), min. \$300,000 P&I (protection & indemnity) per incident. Insurance must name the James Creek Marina as additional insured. Certificate or declaration must be sent by insurance company or agency. James Creek Marina does not accept copies of certificate or declaration directly from boat owner or representative. (Binders must be supplemented by certificate or declaration within 30 days)
- Security Deposit + (min.) 1st month Slip Fee (1st night required for Transients).

**IMPORTANT: All areas above must be checked before vessels will be accepted into marina under the slip license agreement. Vessels without all documents above may be admitted as a transient at the sole discretion of the marina.**

- Vessel Safety, Compliance, and Aesthetic Inspection. (Vessel inspection not in lieu of survey on required vessels. Acceptable aesthetics determined at Dockmaster's discretion.)

### **Boater Checklist and Requirements (cont.)**

- Vessels are expected to be in safe operating order and in compliance with Federal, District, and Marina regulations. Questions or concerns should be directed to the Marina office prior to arrival.
- Vessels are also expected to be clean and not in need of cosmetic repair. Inspector may provide deadline for correcting deficiencies or refuse entry to marina.
- All vessels without a current license agreement are considered transients and Will be charged accordingly. Boater must renew agreement prior to expiration.
- Boater is responsible for notifying the dock office of any changes to their License agreement information, slip location, arrivals or departures. Unreported Departures of more than 3 days may result in loss of slip assignment.
- Please follow all Marina rules and regulations, which are provided with your License Agreement (contract). Marina rules are also posted on the Marina website [www.jamescreek.com](http://www.jamescreek.com), in the Marina office, and on the bulletin board near the gate to B Dock.

**Initial vessel check-in: (Required at fuel dock only)**

**Every day 9:00am- 5:00pm**

**Check-ins on Holidays or other than listed times require preapproval from the Dockmaster**
